

Membership Form - 2017/18 year

New members should complete this form.

The Canterbury Women's Legal Association was established to support, educate and provide networking opportunities for women lawyers in the Canterbury region. We achieve this by organising social functions including a mid-winter dinner and Christmas lunch, our annual conference and various seminars.

Full membership is open to all females who hold a law degree. Associate membership is available to legal students, legal executives and law librarians. Our current membership fee is only **\$45.00** and **\$25.00 for Associate members (including GST)**.

There are many benefits for members of the Association. Members support the association and its objectives, which in turn exists to support them. Also, members are entitled to attend events organised by the Association at a discounted rate. The combination of these discounts is well in excess of the membership fee. All members are also entitled to a free listing in the 'Find a Female Lawyer' part of our website. This is a valuable tool for practice promotion.

We have an exciting Professional Women's Conference lined up for 24 August 2017. We have confirmed some exciting speakers for the Conference and we will reveal those closer the date. Save the date, and keep an eye out for more information in the next month or so.

We have our Annual Professional Women's Dinner on 29 June 2017, and we also have ad hoc "Lunch & Learn" seminars during the year which are free and exclusively available to CWLA Members. Look out for dates and details over the coming months.

We look forward to welcoming you as a member of our Association.
